## **Dimock Daily Report**

**Date:** March 1, 2012

### **FIELD ACTIVITY**

#### **Water Supply** (Gerald Heston)

- Delivery of water continues.

#### **Water Sampling** (Gerald Heston)

- At the request of a resident, the On-Scene Coordinator and ATSDR plan to meet with her tonight to discuss potential health concerns associated with drinking water well contamination. EPA had determined previously that alternate water was needed at her home but then found out that Cabot had already acted to provide water. Although Cabot is already providing water, the resident still would like to meet with EPA.
- The site team is mobilizing back to the site on Sunday, March 4, 2012 to resume sampling on Monday, March 5, 2012. Four (4) homes are currently scheduled to be sampled; two homes on Monday, March 5 and two homes on Tuesday, March 6, 2012. At least one more home will be scheduled during the week.
